Approximately 350 people combined over 24 hours to make the first ever ‘Hoopin’ Around the Clock’ a very successful event. Beginning at 5 p.m. last Friday, there was action throughout the evening and night, concluding at 5 p.m. Saturday.

Reid Innes, one of the organizers of the fundraising event in support of The Neighbourhood Charitable Alliance, was pleased with the interest for the inaugural event.

“We have thirty-four teams committed to playing,” he said. “There has been a great response from teams and the community.”

Action tipped off on January 15 at 5 p.m. as Town of Kingsville representatives went head-to-head with

École secondaire catholique l'Essor

JANUARY 21st, 2016 at 7 pm

[REALITY]

Graduates of French catholic schools have a wide range of postsecondary and international opportunities.

MYTHorREALITY.ca

French Catholic high school curricula enable students to master both of Canada's official languages and promote an awareness of world issues, leading to excellent employment prospects, not just locally and nationally, but also internationally.
