

Family excited to present mom with car

Sisters Karissa Quinlan and Carley Murphy were excited to present their mom Brenda Quinlan with a new car last week. The vehicle was restored by KDHS auto students through donations. Pictured, KDHS teacher Gord Osborne, Matt Isaacs and Jim Flynn of the Neighbourhood Charitable Alliance present the car to Karissa and Carley.

Brenda Quinlan has a new set of wheels thanks to great community support. It was announced last week that the Woodslee mother and grandmother was the recipient of a restored Chevrolet Impala. Reaume Chevrolet Buick GMC donated the vehicle to the Kingsville District High School auto shop last year. At the time of its arrival, the car was in rough shape. Through the hard work of the students, the car was restored and made ready to roll again.

The car has a new fuel system, brakes, paint job and many other improvements.

The project was made possible through additional donations from Southern Collision, Queen's Auto – CarQuest, O.E.M. and Custom Wheels Inc., Auto Tech Garage in Ruthven, Libro Credit Union and

Neighbourhood Charitable Alliance.

"The vehicle has been completely redone from tip to stern," said Jim Flynn of the Neighbourhood Charitable Alliance. "The first year of insurance is paid for."

Matt Isaacs of the Charitable Alliance also provided a \$100 gas card

for the new owner.

Brenda Quinlan, a single mother of six and a grandmother, has recently battled colon cancer. She is well-known and respected in the Woodslee community. "This will mean so much to her," said her daughter Karissa Quinlan. "She has a

Legion Wants June Memorial to become Community Event

By LouAnn Geauvreau-Karry

The Branch President of The Royal Canadian Legion, Branch #188 in Kingsville extended an invitation to the entire Council, Committee members, and citizens of the town to attend their annual Memorial Sunday Service.

The Service will be on June 5, 2016 at 2:00 p.m. at Greenhill Cemetery.

According to the President, Lynne Crawford, the service is different from the Remembrance Day Service when "we remember the veterans who gave their lives in war."

The June Memorial Service is to remember "those who returned but have since passed on", as well as deceased Ladies Auxiliary members.

Crawford said in her correspondence to Kingsville Council that "it is our duty to remember and honour these veterans who returned from the defence of freedom." She said that they would like to make this a community memorial and not just for the Legion. The names of veterans of the area and members of the Auxiliary will be read off at the Memorial.

vehicle that is not reliable car and applied for it.

at all. This will allow her more independence and greatly improve her quality of life."

Karissa heard about the opportunity to receive the

Brenda was away the day the vehicle was presented so Karissa and her sister Carley Murphy gratefully accepted on their mother's behalf.
